

1 Errata Corrige for "Advanced High Dynamic Range Imaging: Theory and Practice"

The errata shows first the error and then its correction. Semantic of the Errata:
Error/Mistake/Typo content \implies corrected content (**Error discoverer**)

Note that for the code have a look to the latest version of the HDR Toolbox.

List:

- Page 6: $C_M = \frac{L_{\max} - L_{\min}}{L_{\min} + L_{\min}} \implies C_M = \frac{L_{\max} - L_{\min}}{L_{\max} + L_{\min}}$ (**Francesco**).
- Page 51: Caption in Figure 3.7: *(a) The histogram of the HDR image.* \implies
(a) The histogram of the HDR image after histogram ceiling. (**Orazio Gallo**).
- Page 107: Equation 3.49: $C_d(\mathbf{x}) = \left(\left(\frac{C_w(\mathbf{x})}{L_d(\mathbf{x})} - 1 \right) s + 1 \right) L_w(\mathbf{x}) \implies C_d(\mathbf{x}) = \left(\left(\frac{C_w(\mathbf{x})}{L_w(\mathbf{x})} - 1 \right) s + 1 \right) L_d(\mathbf{x})$ (**Deron Ohlarik**)
